

# CECELIA NAOMI DAILEY

[celiedailey@gmail.com](mailto:celiedailey@gmail.com)

[www.celiedailey.com](http://www.celiedailey.com)

*Independent lecturer, writer, and artist specializing in ecological and biological issues related to human health, urban planning, art and science collaboration, and public workshops*

## Education

- 2017-2021 Student, MA Biology, The Citadel, Charleston, SC
- 2016-2017 Certificate of Native Plant Studies, Clemson University, SC
- 2016-2021 DHEC certified wild mushroom forager in SC and GA
- 2002-2007 Virginia Commonwealth University, Richmond, VA  
BA in Philosophy, BFA in Filmmaking & Photography, Honors
- 1999-2002 SC Governor's School for the Arts and Humanities, Greenville, SC

## Books

- 2019 The Batik Art of Mary Edna Fraser, USC Press, primary author and photographer, includes 183 color photographs from 8 years of documentation in Fraser's studio

## Current Projects

- 2020 *Botanist*, Open Space Institute, New York, NY
  - Prepare a habitat assessment of the 933-acre “Mead” tract, including rare or unusual plants found, and characterization of plant communities present (May-June 2020)
  - Create a list of priority vascular plant species on the Black River, with species suggested by Jason Ayers (USFWS), Keith Bradley (SCDNR state botanist), and other botanists
  - Report rare plant data to April Punsalan (USFWS) and Keith Bradley (SCDNR)
- 2017-present *Botanist*, Butler Conservation Fund, Great Neck, NY
  - Perform a vascular plant survey of the “Peninsula” 168-acre tract in Williamsburg County, SC (May 2019-December 2020)
  - Perform a vascular plant survey of the “Black River Cypress Preserve” 1040-acre tract in Georgetown County, SC (April 2017-March 2019)
  - Collect and process voucher specimens (over 850 to date) for the Richard D. Porcher, Jr. Herbarium, The Citadel
  - Collect GPS data, catalog data on spreadsheet, create maps
  - Advising on conservation practices regarding preservation of rare plant species, ecologically appropriate landscaping, wildflower restoration, longleaf pine restoration, and burn regimes
  - Create educational material including reports and botanical signs
  - Document flora with photography and video
  - Contribute sightings to iNaturalists
  - Report rare plant data to April Punsalan (USFWS) and Keith Bradley (SCDNR)
- 2015-present *Botanist*, Charleston, SC
  - Implement an urban pollinator garden, *Butterfly Book Nook*, First African Evangelical Church, 1020 King Street, with John L. Dart Library and Enough Pie; lead bi-monthly Saturday work days throughout the year to engage the public and educate volunteers on garden maintenance and native plant propagation

-Revegetation project on a collapsed creek bank on James Island, Mary Edna Fraser  
-Landscape advisor for land owners; consultant on public garden projects

2018-present *Archivist*, Charlie McAlister, Spew Geyser, Charleston, SC

-Produce of books, records, and tapes; photography and digitization of visual materials with Will Milner and Andrea Franco; organization and curation of retrospective exhibitions -Collaboration with Charlie McAlister 2011-2018

2012-present *Contributing writer*, CoastalCare.org, Montecito, CA

-Published 12 articles examining the culture, history and geology of beaches local and abroad  
-Photography taken on site

2014-present *Technical assistant, writer and photographer*, Richard D. Porcher, Jr., Professor Emeritus of Botany, The Citadel, Charleston, SC

-Compile and overlay map data from historic plats, GPS devices, and Google Earth  
-Co-author upcoming book about the natural and cultural history of the Lowcountry  
-Shoot photography and video on field excursions looking at unique sites and rare plants  
-Provide assistance with slideshow presentations and multimedia support  
-Edit photographs and illustrations for upcoming publications and presentations  
-Employed by the Coastal Conservation League to facilitate documentation of the Kiawah Spit with Richard Porcher for SCELP

### Technical Skills

- Knowledge of database, graphic, audio and video editing software includes Final Cut Pro, Premiere Pro, Photoshop, InDesign, Illustrator, DVD Studio Pro, Quickbooks, Audacity, Microsoft Office Suite, AutoCAD, Google Earth, and more
- Proficiency in operation of HDV cameras such as Panasonic DVX100 and Canon XH-1A, 16mm sound-sync cameras, 35mm and digital SLR cameras including the Nikon D90 and Canon T2i, 4k video editing, studio lighting, and sound equipment in production of over 40 short videos
- Proficiency researching with academic search engines, national archives, and libraries
- Knowledge of CSS and HTML coding; ability to design for the web
- Basic working knowledge of conversational French and grammar
- Use of analog and digital recording equipment; numerous recordings done with Charlie McAlister since 2009; including Motormouth Mabel 8/18/13 <https://www.youtube.com/watch?v=-q5D65qBWbs> & [https://www.youtube.com/watch?v=\\_h\\_5Vh90kR8](https://www.youtube.com/watch?v=_h_5Vh90kR8)

### Past Work Experience

May 2008-March 2018 *Production Manager*, Mary Edna Fraser's studio, Charleston, SC

- Train assistant to take over daily duties
- Archivist of artwork, provenance, photographs and letters
- Improve systems for storage on content digitally and in the studio
- Travel and facilitate exhibition installation for her large shows, and do product design.
- Use the blog <http://www.DeleteApathy.com> to catalog collaborative environmental actions
- Create graphic material and invitations, corresponded with museums and universities, negotiate insurance and stipends, facilitate loans of art, create inventory lists and exhibition layouts, transport and install art using a variety of suspension methods, package art for shipping, correspond with framers, work with crane operators to hang large-scale work, cut hardware to spec
- Manage and expand sales of art and merchandise, track inventory and archival data including exhibition history, maintain back-up of all data, determine pricing, develop museum store products such as rugs and silk scarves, maintain list of contacts, design newsletters for mass email and social media distribution, write and edit articles for publication, apply for commissions and grants, color correct digital photography including aerial shoots, provide technical guidance with computer tasks and equipment, maintain record of limited edition prints, shrinkwrapping, bookkeeping, prepare healthy lunches, maintain a well-functioning studio and gallery

- Assist in removal of wax in batiks, learn all aspects of batik-making process
- Photograph and video batik production, exhibitions and events
- Record live music performances, edit sound and produce CDs for sale
- Plan events hosted annually for non-profit causes such as *Delete Apathy* for the Coastal Conservation League and *Creek by Creek* for Charleston Waterkeeper
- Create the video *50 Houses on Kiawah Sand* with Orrin H. Pilkey, as well as many instructional process videos and documentation of excursions

2014-2017 *Website developer* for artists

- Nancy Marshall, [Nancymarshall.net](http://Nancymarshall.net)
- John McWilliams, [Deepestshade.com](http://Deepestshade.com)

2013-2015 *Non-profit, grant funded projects*, South Carolina Maritime Museum, Georgetown, SC

- Create video for the exhibition *The Henrietta*, film on location, obtain archival images for use in the video, produce and record music, produce Blu-ray DVD, advise on purchase of HD TV, sound system, Blu-ray player and stand for video display in the museum
- Create video for exhibition of Fresnel lens, document North Island lighthouse
- Book editor, *The Lumber Boom of Coastal South Carolina*, by Robert McAlister, The History Press, 2013
- Book editor, *North Island: A History* by Robert McAlister, The History Press, 2015

2013-2015 *Grant funded project*, Dr. Cindy Lee Van Dover, Professor of Biological Oceanography, Chair of the Division of Marine Science and Conservation, Director of the Duke Marine Lab, Duke University, Raleigh, NC with support of the National Science Foundation and Woods Hole Oceanographic Institution, Maine

- Develop website for the exhibition, *Art & Science: Envisioning Ocean Depths*
- Coordinate with 3 scientists and 5 artists to catalog and promote the traveling exhibition, teleconference with Dr. Van Dover, color correct and crop images, write and edit explanatory text, create PR material
- Meet with museum staff, write letters to seek out venues for opening
- Create video for Mary Edna Fraser, *Exploring Deep Sea Volcanoes off the Coast of Barbados: An Artist's Perspective*

2012-2013 *Gardener and assistant*, O'Neal Compton, Charleston, SC

2012-2013 *Book editor*, David Soliday (aerial photographer), Charleston, SC

2011-2012 *CSA manager, bookkeeper*, Shipki Farm, Whidbey Island, Clinton, WA

2011-2012 *Innkeeper, gardener*, Moby Dick Hotel, Nahcotta, WA

2008 *Intern*, Redux, non-profit contemporary gallery, Charleston, SC, write and edit press releases, research grants, assistant with show installation and removal, maintain gallery space, distribute promotional material, update membership database, educate visitors

2005-2007 *Pastry, prep, and line cook; waitress*, Café Gutenberg, Richmond, VA

2003-2007 *Landscaping for private gardens*, Richmond, VA
